Entries

Swimmers / Parents are now required to submit their own entries by the Online Entry System (OES).

As this system has been adopted for all domestic meets throughout the 2016/17 BSA & QSA Season, all families should now understand how to enter via the OES.

Please note entries close at 5pm on 2 April 2017.

Relay Entries

BGS participates in relay carnivals throughout the BSA and QSA Season.

Most of the time, the philosophy of entering these meets, is to give everyone a swim, even at the detriment of the sometimes not entering the fastest team possible. I categorize the National Age Champs as a performance meet and will select relay teams that I believe will be the fastest on the day.

A note to parents, I won't be entering debate or negotiation about relay teams submissions.

Qualifying Times

Swimmers need to achieve the relevant qualifying time, prior to submitting their entry

Coaching

David Lush and Rick Pendleton are the main contacts for this meet.

Please see contact details below;

David Lush 0408 944 175

Rick Pendleton 0413 326 502

Similar to last year, coaches will setup a WhatsApp group chat to circulate information.

Accreditation Collection / Photographs

Accreditation passes provide approved personnel with access to the pool for pre-meet training and all competition sessions.

Swimming Australia will not be implementing photos on accreditation passes for this event. All entrants and purchasers of club packages will be provided with a personalised accreditation pass when they present to the accreditation desk prior to entering the venue.

Accreditation must be carried at all times during the event to allow approved personnel to access areas of the venue
