### **1.2 Swimming Australia Calendar 2018**

#### **October**

3 - 5	2018 State Teams Championships	Canberra ACT
25 – 27	2018 Hancock Prospecting Australian Short Course Championships	Melbourne Sports and Aquatic Centre

## **SECTION TWO: Event Information**

### **2.1 Event Details**

The 2018 Hancock Prospecting Pan Pacific Championship Trials will be held at the South Australian Aquatic and Leisure Centre from Sunday 1 – Wednesday 4 July 2018. These championships will incorporate the selection trials for the Australian Dolphins Swim Team to compete at the 2018 Pan Pacific Swimming Championships in Tokyo Japan and the 2018 Pan Pacific Para Swimming Championships in Cairns Australia.

#### **2.1.1 International participants**

For this event the Swimming Australia Board has approved for up to two (2) visitors to progress to the A Finals. As such this event will be swum utilising all ten (10) lanes.

### **2.2 Entry Procedures**

Entries for the 2018 Hancock Prospecting Pan Pacific Championship Trials are now open. Entries will close at 11.59pm AEST on **Tuesday 12 June 2018**.

All entries must be lodged using the Swimming Australia Ltd (SAL) online entry system. The online entry system can be accessed via the Swimming Australia website, [www.swimming.org.au](http://www.swimming.org.au). Please note that SAL has a strict 'no late entries' policy.

Multi Class Swimmers please check the qualifying times document to see what events you qualify for.

#### **2.2.1. Entry Fees (all prices are inclusive of GST)**

Individual Event	<b>\$ 28.00</b> per event
Relay	<b>\$ 60.00</b> per relay team
Relay only swimmers	<b>\$ 28.00</b>

#### **2.2.2 Relays**

Relay entries for the event must be entered separately on the relay entry page and can only be submitted by the club registrar.

All swimmers only participating in relays must register online in Event 59 as a relay only swimmer. Registrations can be made through the individual entry section, and a \$28.00 accreditation fee applies. Only enter event 59 – relay only swimmer if you are **not** in individual events.

All relays are timed finals to be swum in the evening session. Relay forms can be collected from the SAL office (records and results room) during the event, and forms must be returned to the SAL office prior to the commencement of the heats session on the day that the timed final relay is to be swum.

### **[CLICK HERE TO ENTER RELAY TEAMS](#)**

Further enquiries relating to entries should be directed to Liz Avery on [liz.avery@swimming.org.au](mailto:liz.avery@swimming.org.au)

### **2.3 Program of Events**

The 2018 Hancock Prospecting Australian Swimming Trials will consist of 58 events held over 4 days. Please note the following points regarding the program:

- The Men's 800m Freestyle and Women's 1500m Freestyle will be held at 6.00pm after pre-meet training on Saturday 30 June.
- Medals will be awarded in all para events, the Men's 800m Free, the Women's 1500m Free and all Relay events.
- B Finals will be conducted for all events that have 24 or more competitors contest the heats. B Finals will be swum immediately after the A Final.
- This competition will be swum as an open event in ten (10) lanes, two (2) visitors may progress to the finals. Any number of visitors can swim the B Finals.
- 4 x 100m mixed medley relay: Swimmers must be from the same club and each team must consist of two (2) females and two (2) males.

## *Appendix A – Program of Events*

### **2.4 Qualifying Times**

Qualifying times must have been achieved in a 50m pool after January 1 2017.

## *Appendix B – Qualifying Times*

### **2.5 By-Laws**

The 2018 Hancock Prospecting Pan Pacific Championship Trials will be conducted under the By-Laws for the Conduct of Australian Championships (October 2011). A copy of the By-Laws can be found on the SAL website by clicking on the following link: SAL Constitution and By-Laws

This event is also governed by World Para Swimming Rules and Regulations for multi class events.

### **2.6 Accreditation**

Accreditation passes provide personnel with access to the pool for pre-meet training and all competition sessions.

Photo accreditation **will not be used at this event.** Athletes' accreditations will be provided as part of their event entries. You do not need to apply separately or send in a photo. Simply register through the online entries page as an individual or relay only swimmer to be allocated an accreditation pass upon arrival.

All patrons wishing to gain access to the competition venue must wear their accreditation in a visible position at all times. Accreditation checkpoints will be located at the entrance to each accreditation zone, and the cooperation of all personnel in providing their pass for inspection is greatly appreciated.

To ensure that all personnel attending the event are issued with the appropriate pass, please ensure that you follow the procedures outlined below.

***NOTE: Accreditation passes are not transferable. Any accreditation passes found to be used by any other person will be confiscated.***

### 2.6.1 Club Staff Packs

Club Staff Packs can be ordered through the online system on the event webpage to gain access to the following:

- Access to required areas of the venue for the entirety of the event, including access to grandstands during competition & warm up pool deck
- Team Managers & Coaches will have access to viewing areas on deck at the start/finish area of the pool. They will also have access to a 'Club Staff Room' where tea, coffee and light refreshments will be available throughout the event

**NOTE: There will be no free entry to the pool on ASCTA Membership or SAL's accredited coach cards.**

**Applications for Club Staff Packs will be open shortly, please check back here for updates.**

### 2.6.2 Accreditation Collection

## **2.7 Codes of Conduct and the Safe Sport Framework**

Swimming Australia is proud to lead the way in providing a safe sporting environment for all. Persons involved in any way with the sport of swimming are expected to adhere to the standards of behaviour outlined in the Swimming Australia Codes of Conduct:

- The General Code of Conduct; and
- The Code of Conduct for dealing with Children and Young People.

Swimming Australia promotes its Codes of Conduct to all people involved with the sport of swimming, particularly those responsible for activities involving persons under the age of 18 years. Aligned to our values, the Codes of Conduct set out the behavioural standards that are expected of all persons involved in swimming, The Codes of Conduct are now a core part of the Swimming Australia **Safe Sport Framework**. The Safe Sport Framework also contains a **specific Child Protection Commitment Statement** and refreshed **complaint procedures and guidance**.

A complete copy of the Safe Sport Framework, including the Codes of Conduct, can be found on the Swimming Australia website under Swimmers / A Sport for Everyone / Safe Sport.

## 2.8 Parking and Public Transport

SAL recommends the use of public transport when travelling to and from SAALC. For detailed information on public transport services, timetables, and ticket and fare information, please call the **Adelaide Metro** on **1300 311 108** or go to their website [www.adelaidemetro.com.au](http://www.adelaidemetro.com.au).

If required, parking will be available at the nearby Westfield Shopping Centre. Charges may apply for parking in this facility.

### 2.17.4 Doping Control

The Australian Sports Anti-Doping Authority (ASADA) has been notified of the event and may conduct random testing during the 2018 Hancock Prospecting Pan Pacific Championship Trials.

To ensure that you are adequately informed on testing procedures, please read the guidelines provided by ASADA in the appendices of this document. Please note that blood samples may be required along with standard urine samples.

For questions about prohibited substances, please contact the ASADA Hotline on 1800 020 506.

Swimming Australia strongly encourages all athletes and support personnel to ensure that you maintain ample knowledge about the sample collection process and your rights and responsibilities in relation to testing. Please visit the ASADA website – [www.asada.gov.au](http://www.asada.gov.au) or the ASADA eLearning website - <http://elearning.asada.gov.au/> for further information.

#### **ASADA eLearning**

ASADA eLearning is a free and easy-to-use online education tool developed by ASADA. More than 10,000 people from across the sporting community have accessed a variety of learning options offered by ASADA eLearning.

It provides everyone with the opportunity to learn about the key areas of anti-doping such as prohibited substances and methods, therapeutic use exemptions, doping control and whereabouts. By completing the course people will build personal awareness of their anti-doping obligations as athletes or support personnel.

The course is available 24 hours a day, seven days a week (a high-speed internet connection is recommended).

### 3.4 Appendix D - ASADA Doping Control Information

#### GENERAL GUIDELINES

The Australian Sports Anti-Doping Authority (ASADA) is the Australian national anti-doping organisation. It is responsible for developing a sporting culture free from doping.

Athletes can be selected for testing by ASADA anywhere, any time, and are subject to both random and targeted selection methods. Sample collection can be either in-competition (at an event) or out-of-competition (such as a training venue or home). The majority of testing is carried out with no-advance-notice. Tests can involve the collection of urine, blood, or both.

Athletes may be selected at this event for testing. For in-competition testing at this event, athletes can be notified during heats, finals or any other time during the event.

All ASADA officials wear uniform and identification badges.

#### THE TESTING PROCESS

If you are notified for a test, the following steps are what to expect.

1. Once notified of selection for testing, you must remain in direct observation of the Doping Control Officer (DCO) or Chaperone until the DCO is satisfied that the sample collection procedure is complete.
2. For no-advance-notice testing, including in-competition testing, you are required to report to the doping control station immediately unless you request a delay in reporting for valid reasons. You are permitted to complete a warm-down, participate in medal presentations, compete in further events or fulfil media commitments if required. At all times you must be accompanied by the chaperone.
3. You will be given a choice of individually sealed collection vessels, and you will select one. You will verify that the equipment is intact and has not been tampered with, and you will maintain control of the collection vessel at all times.
4. Providing the sample
  - Urine: The Chaperone will directly witness the urine sample leaving your body and going into the beaker. Only a Chaperone of the same gender is permitted in the area of privacy when you provide the sample.
  - Blood: You will be asked to select blood collection equipment and check that it is intact and has not been tampered with. A blood collection official will collect the sample in the presence of a DCO, Chaperone and, if applicable, the athlete representative.
5. You will select an individually sealed sample collection kit that is intact and has not been tampered with.
6. Splitting the sample
  - Urine: you will pour a measured amount of the urine into each of the 'A' and 'B' labelled bottles, and then secure the kits. You will be asked to leave a small amount of urine in the collection vessel so the DCO can measure the specific gravity.
  - You will place and secure the blood samples in the relevant labelled containers and secure the kits.
7. The DCO will check the specific gravity of the residual urine left in the collection vessel, and will record the value on the Doping Control Test Form. You should **avoid over hydrating**; this can happen if you drink too much fluid. If your sample is too diluted and does not meet the required specific gravity you will be required to provide additional urine samples until you provide a sample that meets the specific gravity requirements.
8. Final paperwork - Your personal information is recorded on the doping Control Test Form, including contact details. You will be asked to provide information on prescription and non-prescription medications, vitamins, herbal products, food supplements, and any other substances you have used within the last seven days. These are recorded on the Doping Control Test Form.

9. The secure sample(s) and the laboratory copy of the Doping Control Test Form are sent to the laboratory for analysis. There is a strict chain of custody regarding transportation, storage and opening of the sample.

**Note:** You should not consume any unsealed drinks. You will be provided with sealed drinks when you report to the Doping Control Station. You should open them yourself and once opened, be responsible for them. Any food or drink you consume is consumed at your own risk and is not grounds for challenging a test result.

## **ATHLETE RIGHTS**

Athletes have the right to:

- have a representative present during testing (e.g. your coach or manager)
- have an interpreter, if available
- ask for additional information about the testing process
- request modifications for athletes with disabilities
- **request a delay in reporting to the doping control station** for valid reasons (provided they remain in sight of the Chaperone at all times):
  - for in-competition testing:
  - performing a **warm down**
  - competing in **further competitions**
  - fulfilling **media commitments**
  - participating in a **victory ceremony**
  - obtaining necessary **medical treatment**
  - obtaining photo identification
  - locating a representative and/or interpreter
  - any other exceptional circumstances as approved by the DCO

## **ATHLETE RESPONSIBILITIES**

Athletes have the responsibility to:

- remain within direct observation of the DCO or Chaperone at all times from the point of notification by the DCO or Chaperone until the completion of the sample collection procedure
- produce appropriate identification
- comply with sample collection procedures
- report immediately for a test, unless there is a valid reason for a delay.

## **SWIMMERS SUBJECT TO TESTING**

All Australian Swimming Team members and other swimmers identified by SAL as competing at an elite level are subject to ASADA's national out-of-competition testing program. Some state level swimmers are subject to state testing programs as determined by state and territory governments.

## **CHECK YOUR SUBSTANCES**

Athletes can't just take any drug or medication, or even use any training method. Some drugs, medications and substances are banned in sport, as are some methods.

It's easy to check if your substances are permitted in sport. Visit [www.asada.gov.au](http://www.asada.gov.au) and click *check your substances*.
